I. Project Overview

A. Introduction; Statement of Purpose

The City of Philadelphia ("City"), Department of Commerce, Division of Aviation ("Aviation") seeks qualified Applicants ("Applicant(s)") to provide Environmental Engineering Services for the Philadelphia International Airport ("PHL") and Philadelphia Northeast Airport ("PNE") (collectively referred to as "Airport"). The successful Applicant is expected to provide on-call professional and comprehensive engineering services related to environmental engineering. Services under this contract are generally confined to specialized and time-sensitive initiatives such as environmental assessments, environmental impact statements, hazardous material guidance, wetland delineations, regulatory agency permitting/monitoring, soil/groundwater sampling and other miscellaneous environmental issues. These contracts are generally established for one-year terms with up to three renewal options and funded on an annual basis within the Airport's operating budget.

B. Department Overview

The City administers the day-to-day operations of the Airport through Aviation, under the direction of its Chief Executive Officer ("CEO") and overseen by the Mayor's Office of Transportation and Utilities

The Planning and Environmental Services Manager, or his designee will be responsible for overseeing the activities of the successful Applicant(s).

C. Request for Proposals

The City intends to enter into Agreement(s) with one or more qualified Applicant(s) to provide professional and comprehensive environmental consulting services at the Airport on an as needed basis. This opportunity is open only to prime Applicants with substantial, direct and relevant environmental consulting experience. Applicants must demonstrate extensive experience in environmental consulting related to airport facilities including airfield and terminal complexes performing project management, planning, design and construction oversight and administration functions. This experience must be quantified and described in the proposal. The proposed project staff shall have knowledge of the specialized practices and limitations associated with terminal and airfield construction, be thoroughly familiar with Transportation Security Administration (TSA) and Federal Aviation Administration (FAA) standards and regulations and have a working knowledge of FAA advisory circulars and all other pertinent and relevant codes and standards. Please note, a Applicant who acts as a Prime on this contract is prohibited from acting as a subconsultant on another contract award for this opportunity.

D. General Disclaimer of City

This RFP does not commit the City of Philadelphia to award a contract. This RFP and the process it describes are proprietary to the City and are for the sole and exclusive benefit of the City. No other party, including any Applicant, is intended to be granted any rights hereunder. Any response, including written documents and verbal communication, by any Applicant to this RFP, shall become the property of the City and may be subject to public disclosure by the City, or any authorized agent of the City.

II. Scope of Work

A. Project Details

The Applicant's proposed scope of work should address each objective specifically and describe in detail how the Applicant will achieve the objective, or how the Applicant will enable Aviation to achieve the objective.

This Section II, Scope of Work states requirements for the project, including the services and the tangible work products to be delivered, and the tasks Aviation has identified as necessary to meet those requirements. Aviation reserves the right, however, to modify specific requirements, based on changed circumstances (such as a change in business or technical environments), the proposal selection process, and contract negotiations with the Applicant(s) selected for negotiations, and to do so with or without issuing a revised RFP. The Applicant must provide in its proposal a detailed proposed scope of work showing how it will meet the project requirements stated in this Section II.

B. Services and Tangible Work Products

Aviation requires at least the services listed below, including the specific tasks and work activities described. Applicant's proposed scope of work should state in detail how it will carry out each task, including the personnel/job titles (as identified in Section G, Organizational and Personnel Requirements) responsible for completing the task. For each service specified, the Applicant should propose criteria to determine when the tasks comprising the service are satisfactorily completed. Applicants may propose additional or revised tasks and activities, but should explain why each is necessary to achieve the project objectives.

The Applicant shall propose a project team consisting of members of its staff and any subconsultants that, in total, have all the disciplines required to complete the project requirements. The proposed project team shall include engineers and/or design personnel and others with the pertinent expertise required to undertake and complete the work. The Applicant, in coordination with its subconsultants and project team, shall provide the services essential to completion of the project. These services shall include, but not be limited to:

1) Types of Assignments

The assignments may involve any of the landside or airside facilities at each airport as well as private properties and nearby roads. The services will include, but not be limited to, providing strategic advice and assistance as required; assistance in developing appropriate internal procedures; representing the Airport operating staff in responding to environmental emergencies; and providing guidance and oversight to other outside consultants working on environmental issues. Should a Applicant be unwilling or incapable of performing any specific environmental tasks due to internal corporate policies, the Applicant MUST disclose those specific tasks in your response.

It is expected that the assignments will involve some or all of the following areas of concern:

Forms, instructions and special contract provisions for the Antidiscrimination Policy explain these requirements in more detail and are included in Appendix B-1 to this RFP. Applicants are required to complete and return with their proposals the "Solicitation for Participation and Commitment" form which is included in Appendix B-1. The City encourages proposals from M/W/DSBE Applicants. M/W/DSBE Applicants, like all other Applicants, are required to submit a proposal that is responsive to the Antidiscrimination Policy. The M/W/DSBE Applicant will receive credit towards the participation range for its certification category (i.e., MBE range, WBE range or DSBE range).

Included in Appendix B-2 is the form, "Diversity Report of Nonprofit Organizations," which should be completed and returned with proposals submitted by nonprofit Applicants in addition to the Solicitation for Participation and Commitment form.

To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each Applicant is required to complete and return with its proposal, a City of Philadelphia Tax Status and Clearance Statement Form (included with this RFP as Appendix C).

If the Applicant is not in compliance with the City's tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made within a week of being notified of their non-compliance, Applicant will not be eligible for award of the contract contemplated by this RFP.

The selected Applicant will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected Applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

If an Applicant or a proposed subcontractor is not currently in compliance with the City's tax and regulatory codes, please contact the Revenue Department to make arrangement to come into compliance at 215-686-6600 or revenue@phila.gov.

The posting of this RFP on eContract Philly is also referred to as a Notice of Contracting Opportunity.

The City requires that any Applicant who establishes an account on eContract Philly and utilizes that account for the purpose of responding to a particular contract opportunity is the same individual or business entity that, if awarded the contract, will enter into and perform the resulting contract with the City. Except in the case of joint ventures, applications posted on eContract Philly from Applicants that purport to be filing an application on behalf of another individual or business entity will not be considered, even if the other business entity is an affiliate of the Applicant.

In the case of multiple business entities that if awarded a contract have formed, or intend to form a joint venture to perform the contract, a single business entity may file an application on behalf of all such business entities so long as (i) the filing business entity is or will be a member of the joint venture, (ii) the application is made in the name of the existing or proposed joint venture, (iii) documentation is submitted with the application identifying all business entities that comprise, or will comprise, the joint venture, and demonstrating a binding agreement among those business entities to perform the contract as the joint venture identified in the application (for a joint venture that has not yet been formed, documentation signed by each identified business entity evidencing a commitment to form the joint venture if awarded the contract is sufficient), and (iv) the non-filing business

Pursuant to Chapter 17-1400 of The Philadelphia Code, Applicants and their subcontractors are required to disclose their campaign contributions to political candidates and incumbents who are running for, or currently serving in, a local (Philadelphia) or state-wide elected office anywhere within the Commonwealth of Pennsylvania (federal campaign contributions are not included); any consultants used in responding to the RFP and contributions those consultants have made; prospective subcontractors; and whether Applicant or any representative of Applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-, woman- or disabled-owned business participation goals from City employees. This information, as well as a proposal or any other response document required, is part of the online application. For more information, please consult the reference materials found on the website, email eContractphilly@phila.gov or call 215-686-4914.

Applicants who have failed to file complete applications – including using the online disclosure forms provided – through the eContract Philly online application process prior to the closing date and time will not be considered for the contract.

Applicants are encouraged to start and complete their online applications on eContract Philly as early as possible. Please be aware that internet connection speed depends on a variety of factors including: configuration of your computer, configuration of your business or home network, the condition of the wiring at your location, network, or internet congestion (available bandwidth). Please prepare and plan accordingly to ensure a timely submission. Your proposal and other application documents will not be considered submitted until you sign the application and click on the "submit" button at the conclusion of the eContract Philly process.

You can begin uploading (or attaching) your proposal and other application materials at any time. It is especially prudent for you to start uploading your attachments earlier if you have a large number of attachments (e.g. over five documents) or larger-sized attachments (e.g. above 5 MB). Please be advised that the eContract Philly website will not accept documents larger than 8 MB. If you have documents larger than 8 MB, you must separate them into smaller documents in order to successfully upload them to the system. Until you sign and submit your application, your materials are not accessible to any staff with the City of Philadelphia. Once you have signed and submitted your application, your application is accessible only to appropriate contract staff within the City of Philadelphia.

You are advised that any individual who signs and submits an application on eContract Philly must be an authorized signatory of the Applicant, authorized to both bind the Applicant to its proposal and to make the disclosures required to complete the eContract Philly process. Therefore, in conjunction with their electronic signatures provided at the conclusion of the submission of their applications online, signatories will be required to certify that they are the Applicant or are employees or officers of the Applicant duly authorized to execute the application and make disclosures on the Applicant's behalf; and they represent and covenant that, to the best of their knowledge after appropriate inquiry, all of the information and disclosures provided are true and contain no material misstatement or omissions.

This Contract is the legal, valid and binding obligation of Provider, enforceable against Provider in accordance with the terms set forth herein. The execution and delivery of this Contract by Provider will not result in a default under or a breach or violation of (1) Provider's certificate or articles of incorporation or bylaws, partnership agreement, limited liability company operating agreement or other pertinent organizational documents, as applicable; (2) any Applicable Law or any judgment, decree order, license, permit or other instrument or obligation to which Provider is now a party or by which Provider may be bound or affected; and (3) Provider's tax exempt status, if applicable. No consent, approval or authorization is required of any regulatory authority or governmental agency, or of any shareholder, partner, member, manager or other party related to Provider.

(c) <u>Legal Obligation</u>. This Contract has been duly authorized, executed and delivered by Provider, by and through individuals duly authorized to execute this Contract on behalf of Provider, and constitutes the legal, valid and binding obligation of Provider, enforceable against Provider in accordance with its terms.

(d) <u>No Litigation Preventing Performance</u>. There is no litigation, claim, consent order, settlement agreement, arbitration, agency proceeding, investigation, challenge or other proceeding pending or threatened against Provider, its properties or business or any individuals acting on Provider's behalf, including, without limitation, Subcontractors, in which any Person seeks to enjoin or prohibit Provider from entering into or performing its obligations under this Contract.

(e) <u>Requisite Licensure and Qualifications</u>. Provider and all of the Persons acting on Provider's behalf, including, without limitation, Subcontractors, in connection with the Services and Materials under this Contract, possess and, at all times during the Term of this Contract, shall possess all licenses, certifications, qualifications or other credentials required in accordance with Applicable Law and the terms of this Contract, to perform the Services and provide the Materials. Provider shall provide the City with copies of all licenses, credentials and certifications required under this Section within five (5) days of request by the City.

(f) <u>No Adverse Interests</u>. Except as disclosed in writing and approved in advance by the Responsible Official, neither Provider nor any of its directors, officers, members, partners or employees, has any interest, or will acquire any interest, directly or indirectly, that would or may conflict in any manner or degree with the performance or rendering of the Services and Materials.

(g) No Indebtedness to the City. Provider and any and all entities controlling Provider, under common control with Provider or controlled by Provider are not currently indebted to the City, and will not at any time during the Term of this Contract (including any Additional Term(s)) be indebted to the City, for or on account of any delinquent taxes (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), water bills, sewer bills, liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established. Provider shall remain current during the Term of this Contract under all such agreements and payment plans, and shall inform the Responsible Official in writing of Provider's receipt of any notices of delinquent payments under any such agreement or payment plan within five (5) days after receipt. In addition to any other rights or remedies available to the City at law or in equity, Provider acknowledges that any breach or failure to conform to this representation, warranty and covenant may, at the option of the City, result in the withholding of payments otherwise due to Provider under this Contract or any other agreement with the City under which the City may then owe payment of any kind, and, if such breach or failure is not resolved to the City's satisfaction within a reasonable time frame specified by the City in writing, may result in the offset of any such indebtedness against said payments or the termination of this Contract for default (in which case Provider shall be liable for all excess costs and other damages resulting from the termination), or both. In addition, Provider understands that false certification, representation or warranty by it, is subject to prosecution under Title 18 Pa.C.S.A. § 4904.

(h) <u>Commercial Activity License</u>. If Provider is a "business" as defined in Section 19-2601 of the Code, Provider has and shall maintain during the Term of this Contract, a valid, current Commercial Activity License, issued by the City's Department of Licenses and Inspections, to do business in the City.

(i) <u>Subcontractor Licensure; No Indebtedness to the City</u>. Each Subcontractor, if any, holds a valid, current Commercial Activity License to do business in the City, if required by Applicable Law. To the best of Provider's knowledge, information and belief, the representations made in any Subcontract that Subcontractor is not indebted to the City are true and correct.

(j) <u>Non-Suspension; Debarment</u>. Provider and all of the individuals acting on Provider's behalf including, without limitation, Subcontractors, are not under suspension or debarment from doing business with the Commonwealth of Pennsylvania, any other state, or the federal government, or any department, agency or political subdivision of any of the foregoing. If Provider cannot so warrant, then Provider shall submit to the Responsible Official a full, complete written explanation as to why Provider cannot so warrant. Provider shall reimburse the City for the reasonable cost of investigation incurred by the City or the Commonwealth of Pennsylvania Office of Inspector General for investigation of Provider's compliance with the terms of this or any other contract between Provider and the City which results in the suspension or debarment of Provider. Such costs shall include, but are not limited to, salaries of investigators, including overtime, travel and lodging expenses, expert witness and documentary fees and attorney fees and expenses. Provider shall not be responsible for costs of investigations which do not result in Provider's suspension or debarment.

ARTICLE V: COMPENSATION

5.1 <u>Certification of Available Funds</u>. Provider acknowledges that payments under this Contract shall not exceed the amount certified by or on behalf of the City's Director of Finance as available for this Contract. A copy of the form signed by the Finance Department showing the amount of currently available funds will be attached to the fully executed Contract returned to Provider. During the Term of this Contract, the City reserves the right to fund any remaining balance of this Contract amount in varying amounts from time to time as funds become available, not to exceed in total the maximum amount stated in this Contract. Provider agrees that the City shall not be obligated to fund this Contract except out of funds certified by or on behalf of the City's Director of Finance as currently available, even if those funds are less than the maximum amount stated in this Contract. If sufficient funds are not certified as available at any time, the City may exercise its options described in Section 5.2 (Unavailability of Funds) below.

5.2 <u>Unavailability of Funds</u>. If funding for this Contract from any source is not obtained and continued at an aggregate level sufficient to allow for payment for the Services performed and Materials delivered under this Contract, the City may exercise one of the following options without liability or penalty to the City:

Notice; or

(a) Terminate this Contract effective upon a date specified in a Termination or

(b) Continue this Contract by reducing, through written notice to Provider, the amount of this Contract and Services and Materials, consistent with the nature, amount and circumstances of available funding.

The City's exercise of either option under this Section shall not affect any obligations or liabilities of either Party accruing prior to such termination or reduction of Services or Materials. Provider shall be compensated in accordance with the terms of this Contract for Services and Materials satisfactorily performed and delivered prior to such termination or modification of this Contract under this Section.

5.3 <u>Crossing Fiscal Years</u>. If any portion of the compensation set forth in this Contract is to be paid in any City fiscal year following the fiscal year in which the Initial Term or any Additional Term of this Contract commences (in either case, "Appropriated Fiscal Year"), Provider understands and agrees that the portion of the compensation under this Contract payable with City funds for any period following the Appropriated Fiscal Year is subject to the discretion of City Council as to future appropriated by City Council in any Fiscal Year following the Appropriated Fiscal Year, this Contract and the City's liability under this Contract shall automatically terminate at the end of the then current Appropriated Fiscal Year; provided, however, that Provider shall be compensated in accordance with the terms of this Contract for Services and Materials satisfactorily performed and delivered prior to the end of the then current Appropriated Fiscal Year.

5.4 <u>Allowability of Cost Items</u>. All payments by the City to Provider under this Contract shall be subject to the limitations on the allowability of cost items imposed by the Contract Cost Principles.

ARTICLE VI: AUDITS; INSPECTION RIGHTS; RECORDS

6.1 <u>City Audit</u>. From time to time during the Term of this Contract, and for a period of five (5) years after the expiration or termination of this Contract, the City may audit any and all aspects of Provider's performance under this Contract, including but not limited to its billings and invoices. Audits may be conducted by representatives, agents or contractors of the City, including the Department, or other authorized City representatives including, without limitation, the City Controller. If requested by the City, Provider shall submit to the City all vouchers or invoices presented for payment pursuant to this Contract, all cancelled checks, work papers, books, records and accounts upon which the vouchers or invoices are based, and any and all documentation and justification in support of expenditures or fees incurred pursuant to this Contract. All books, invoices, vouchers, records, reports, cancelled checks and other materials shall be subject to periodic review or audit by the City.

6.2 **Inspection.** All Services and Materials shall be subject to inspection and review by City, federal and state representatives, as may be applicable, or their designees, at the offices of Provider in the City, or in another location with the City's consent. Provider shall cooperate with all City, state and federal inspections and reviews conducted in accordance with the provisions of this Contract. Such inspection and review of Provider's Services and Materials, including, without limitation, programs and facilities, shall be in the sole discretion of the inspecting or reviewing entity. Such inspection or review may include, without limitation, meetings with consumers, review of staffing ratios and job descriptions, and meetings with any of Provider's staff members who are either directly or indirectly involved in providing Services or Materials.

6.3 <u>Availability of Records</u>. Provider shall make available, in the City at reasonable times during the Term of this Contract and for the period set forth in Section 6.4 (Retention of Records) below, all records pertaining to this Contract for the purpose of inspection, audit or reproduction by any authorized representative (including any agent or contractor and the City Controller) of the City, the Commonwealth of Pennsylvania Auditor General, and any other federal and state auditors, as may be applicable.

6.4 <u>Retention of Records</u>. Provider shall retain all records, books of account and documentation pertaining to this Contract for a period of five (5) years following expiration or termination of this Contract; however, if any litigation, claim or audit is commenced prior to expiration of said five (5) year period, then the records shall be retained until all litigation, claims or audit findings have been completely terminated or resolved, without right of further appeal, or if Applicable Law requires a longer period, then the records shall be retained for such longer period.

6.5 <u>Audits Pursuant to Section 6-400 of the Home Rule Charter</u>. Any Provider that is an Agency, as defined in Section 6-400 of the Charter, shall permit the City Controller to audit its affairs as authorized in Section 6-400 during the Initial Term or any Additional Term. Under Section 6-400, an Agency is any entity that a) receives funds from the City, and either b) is created by, or whose board of directors is in whole or part appointed by, one or more City officials or bodies; or c) is organized pursuant to legal authority granted to it by City ordinance.

ARTICLE VII: ASSIGNMENT

7.1 Assignment By Provider. Except through a Subcontract, Provider shall not assign this Contract, or any part of this Contract, or delegate performance of this Contract (other than to its own work forces), without obtaining the prior written consent of the Responsible Official. The decision whether to consent to an assignment, the timing of consent (if any), and conditions to such consent, if any, shall each be at the City's sole discretion. Any consent to the assignment of any monies to be paid under this Contract shall not relieve Provider from the faithful performance of any of its obligations under this Contract or change any of the terms and conditions of this Contract. Any purported assignment in violation of this provision shall be void and of no effect. The City's consent to an assignment shall not release the assignor from any liability accrued or thereafter accruing under this Contract. Any assignment or purported assignment shall be in writing and shall contain an express assumption by the assignee of all liability accrued or thereafter accruing under this Contract. Consent by the City to any assignment shall not be deemed a course of conduct, dealing or performance with respect to any other assignment or proposed assignment. For purposes of this Section 7.1 (Assignment by Provider), an assignment includes the acquisition of the Bidder or Provider, or a controlling interest therein, through a corporate or other merger, and the appointment of a receiver or bankruptcy trustee, and the transfer of this Contract or Provider in any bankruptcy or other insolvency proceeding.

7.2 <u>Applicability in Case of Bankruptcy or Insolvency</u>. A receiver or trustee of or for Provider in any federal or state bankruptcy, insolvency or other proceedings concerning Provider shall comply with the requirements set forth in Section 7.1 (Assignment by Provider) above.

7.3 <u>Personal Services</u>. Provider acknowledges that the Services and Materials are the personal services of Provider and the City shall have no obligation to accept performance by a third party without the Responsible Official's prior and express written consent.

ARTICLE VIII: INDEPENDENT CONTRACTOR; INDEMNIFICATION; LITIGATION COOPERATION

8.1 <u>Independent Contractor</u>. Provider is an independent contractor and shall not in any way or for any purpose be deemed or intended to be an employee or agent of the City. Neither Provider nor its agents, employees or Subcontractors shall in any way represent that they are acting as employees, officials or agents of the City.

8.2 Indemnification. Provider shall indemnify, defend and hold harmless the City, its officers, employees and agents, from and against any and all losses, costs (including, but not limited to, litigation and settlement costs and counsel fees and expenses), claims, suits, actions, damages, liability and expenses, occasioned wholly or in part by Provider's act or omission or negligence or fault or the act or omission or negligence or fault of Provider's agents, Subcontractors, independent contractors, suppliers, employees or servants in connection with this Contract, including, but not limited to, those in connection with loss of life, bodily injury, personal injury, damage to property, contamination or adverse effects on the environment, intentional acts, failure to pay any Subcontractors and suppliers, any breach of this Contract, and any infringement or violation of any proprietary right (including, but not limited to, patent, copyright, trademark, service mark and trade secret).

8.3 <u>Litigation Cooperation</u>. If, at any time, the City becomes involved in a dispute or receives notice of a claim or is involved in litigation concerning the Services and Materials provided under this Contract, the resolution of which requires the services or cooperation of Provider, and Provider is not otherwise obligated to indemnify and defend the City pursuant to the provisions of Section 8.2 (Indemnification) above, Provider agrees to provide such services and to cooperate with the City in resolving such claim or litigation as Additional Services and Materials under Section 3.3 (Additional Services and Materials; Change in Scope of Services) above.

8.4 <u>Notice of Claims</u>. If Provider receives notice of a legal claim against it in connection with this Contract, Provider shall submit appropriate written notice of such claim to its insurance carrier within the time frame required for submission of claims by the applicable insurance policy and, within ten (10) business days of receipt of notice of the claim, to the Responsible Official.

ARTICLE IX: INSURANCE

9.1 <u>Insurance</u>. Unless otherwise approved by the City's Risk Management Division in writing, Provider shall, at its sole cost and expense, procure and maintain, or cause to be procured and maintained, in full force and effect, the types and minimum limits of insurance specified below, covering Provider's performance of the Services and the delivery of the Materials. Provider shall procure, or cause to be procured, all insurance from reputable insurers

admitted to do business on a direct basis in the Commonwealth of Pennsylvania or otherwise acceptable to the City. All insurance herein, except Professional Liability insurance, shall be written on an "occurrence" basis and not a "claims-made" basis. In no event shall Provider perform any Services or other work until Provider has delivered or caused to be delivered to the City's Risk Management Division the required evidence of insurance coverages. All insurance coverages shall provide for at least thirty (30) days prior written notice to be given to the City in the event coverage is materially changed, cancelled, or non-renewed. The City, its officers, employees, and agents, shall be named as additional insureds on the General Liability Insurance policy. Provider shall also deliver or cause to be delivered to the City an endorsement stating that the coverage afforded the City and its officers, employees and agents, as additional insureds, will be primary to any other coverage available to them and that no act or omission of the City, its officers, employees or agents shall invalidate the coverage.

(a) Workers' Compensation and Employers' Liability.

(1) Workers' Compensation: Statutory Limits

(2) Employers' Liability: \$100,000 Each Accident - Bodily Injury by Accident; \$100,000 Each Employee - Bodily Injury by Disease; and \$500,000 Policy Limit - Bodily Injury by Disease.

(3) Other states insurance including Pennsylvania.

(b) General Liability Insurance.

(1) Limit of Liability: \$1,000,000 per occurrence combined single limit for bodily injury (including death) and property damage liability; \$1,000,000 advertising injury; \$2,000,000 general aggregate and \$1,000,000 aggregate for products and completed operations. The City may require higher limits of liability if, in the City's sole discretion, the potential risk warrants.

(2) Coverage: Premises operations; blanket contractual liability; personal injury liability; products and completed operations; independent contractors, employees and volunteers as additional insureds; cross liability; and broad form property damage (including completed operations).

(c) Automobile Liability Insurance.

(1) Limit of Liability: \$1,000,000 per occurrence combined single limit for bodily injury (including death) and property damage liability.

(2) Coverage: Owned, non-owned, and hired vehicles.

(d) Professional Liability Insurance.

(1) Limit of Liability: \$1,000,000 with a deductible not to exceed \$50,000.

(2) Coverage: Errors and omissions including liability assumed under

Contract.

(3) Professional Liability Insurance may be written on a claims-made basis provided that coverage for occurrences happening during the performance of the Services required under this Contract shall be maintained in full force and effect under the policy or "tail" coverage for a period of at least two (2) years after completion of the Services.

9.2 Self-Insurance. Provider may not self-insure any of the coverages required under this Contract without the prior written approval of the Responsible Official and the City's Risk Manager. In the event that Provider wants to self-insure any of the coverages listed above, it shall submit to the Responsible Official and the City's Risk Management Division, prior to Provider's commencement of Services or delivery of any Materials hereunder, a certified copy of Provider's most recent audited financial statement, and such other evidence of its qualifications to act as self-insurer (e.g. state approval) as may be requested by the Responsible Official or the City's Risk Manager. In the event the City grants such approval, Provider understands and agrees that the City, its officers, employees and agents shall be entitled to receive the same coverages and benefits under Provider's self-insurance program that they would have received had the insurance requirements set forth above been satisfied by a reputable insurer admitted and duly authorized to do business in the Commonwealth of Pennsylvania or otherwise acceptable to the City. If at the time of commencement of the Term of this Contract, Provider self-insures its professional liability or workers' compensation and employers' liability coverage, Provider may, in lieu of the foregoing, furnish to the City a current copy of the state certification form for selfinsurance or a current copy of the State Insurance Commissioner's letter of approval, whichever is appropriate. The insurance (including self-insurance) requirements set forth herein are not intended and shall not be construed to modify, limit or reduce the indemnifications made in this Contract by Provider to the City, or to limit Provider's liability under this Contract to the limits of the policies of insurance (or self-insurance) required to be maintained by Provider hereunder.

9.3 <u>Evidence of Insurance Coverage</u>. Certificates of insurance evidencing the required coverages must specifically reference the City contract number for which they are being submitted. The original certificates of insurance must be submitted to the City's Risk Manager at the following address:

The City of Philadelphia Finance Department Division of Risk Management 1515 Arch Street, 14th Floor Philadelphia, PA 19102-1579 Fax No.: 215-683-1705

A copy of the certificates of insurance shall be submitted to the Responsible Official at the address of the Department set forth in the Notice Section of the Provider Agreement. Both submissions must be made at least ten (10) days before work is begun. The City, in its sole discretion, may waive the ten (10) day requirement for advance documentation of coverage in situations where such waiver will benefit the City, but under no circumstances shall Provider

actually begin work without providing the required evidence of insurance. The actual endorsement adding the City as an additional insured must specifically reference the City contract number and be submitted to the City's Risk Management Division at the above address. The City reserves the right to require Provider to furnish certified copies of the original policies of all insurance required under this Contract at any time upon ten (10) days written notice to Provider.

ARTICLE X: OWNERSHIP OF MATERIALS; PROPRIETARY INFORMATION; CONFIDENTIALITY

10.1 Ownership of Materials.

(b) Provider shall make available to the City, upon the City's request, a copy of any Materials prepared by or for Provider in performance of this Contract, at no cost to the City.

(c) All computer programs, tapes and software developed under this Contract shall be compatible with specifications set by the Department.

(d) Provider hereby grants, and shall require its Subcontractors to grant, to the City and to others authorized by the City a royalty-free, nonexclusive and irrevocable right to publish, translate, reproduce, deliver and perform all studies, media, curricula, reports and other Materials delivered and not owned by the City under this Contract but which relate to the performance of the Services, Materials or this Contract; provided, however, that Provider shall not be required to grant such right to the City or others with respect to any Materials for which Provider would be liable to pay compensation to third parties because of such grant.

(e) Materials shall be furnished to the City and others as requested by the City in accordance with the schedule set forth in this Contract or upon completion or termination of this Contract, whichever occurs first. The City shall have the right to utilize any and all of the aforesaid items in the event the City expands or makes an addition to the project associated with the Services or Materials, corrects any deficiencies in the project associated with Services or

Materials, makes any renovations or repairs to the project associated with the Services or Materials, completes the project associated with Services or Materials after the termination of the Contract, or for future design use other than the construction of another facility which is substantially the same as the project associated with Services or Materials covered by the Contract. The City shall not use the Materials for construction of another facility other than the project associated with Services without the prior written approval of Provider.

10.2 **Non-Disclosure.** During the Term of this Contract and thereafter, except with the prior written consent of the Responsible Official, Provider will not:

(a) Issue, publish or divulge any Services or Materials developed or used in the performance of this Contract in any public statement, thesis, writing, lecture or other verbal or written communication; or

(b) Disclose, or use to its advantage or gain, confidential information of any nature acquired from the City or acquired as a result of Provider's activities in connection with this Contract.

ARTICLE XI: EVENTS OF DEFAULT

11.1 <u>Events of Default</u>. Each of the following shall be an Event of Default by Provider under this Contract:

(a) Failure by Provider to comply with any provision of this Contract;

(b) Occurrence of an Event of Insolvency with respect to Provider;

(c) Falseness or inaccuracy of any warranty or representation of Provider contained in this Contract or in any other document submitted to the City by Provider;

(d) Any act, omission, or misrepresentation which renders the Provider ineligible for a City contract or renders the contract voidable under Chapter 17-1400 of the Code;

(e) Misappropriation by Provider of any funds provided under this Contract or failure by Provider to notify the City upon discovery of any misappropriation;

(f) A violation of law which results in a guilty plea, a plea of <u>nolo contendere</u>, or conviction of a criminal offense by Provider, its directors, employees, or agents (1) directly or indirectly relating to this Contract or the Services or Materials provided under this Contract, whether or not such offense is ultimately adjudged to have occurred; or (2) which adversely affects the performance of this Contract;

(g) Indictment of or other issuance of formal criminal charges against Provider, its directors, employees or agents for any criminal offense or any other violation of Applicable Law directly relating to this Contract or Services or Materials, or which adversely affects Provider's

performance of this Contract in accordance with its terms, whether or not such offense or violation is ultimately adjudged to have occurred; and/or

(h) Debarment or suspension of Provider or any agent, employee or Subcontractor of Provider under federal, state or local law, rule or regulation.

11.2 <u>Notice and Cure</u>. The City agrees that the City will not exercise any right or remedy provided for in Section 12.1 (The City's Remedies) below because of any Event of Default unless the City shall have first given written notice of the Event of Default to Provider, and Provider, within a period of ten (10) days thereafter, or such additional cure period as the City may authorize, shall have failed to correct the Event of Default; provided, however, that no such notice from the City shall be required nor shall the City permit any period for cure if:

(a) Provider has temporarily or permanently ceased providing Services and Materials;

(b) The Event of Default creates an emergency which requires, as determined by the City in the City's sole discretion, immediate exercise of the City's rights or remedies;

(c) The City has previously notified Provider in the preceding twelve (12) month period of any Event of Default under this Contract;

(d) An Event of Default occurs as described in 11.1(e) above or 11.1(f) above; or

(e) Provider has failed to obtain or maintain the insurance or any bond required under this Contract.

Nothing contained in this Section shall limit the City's rights under Article XII (Remedies) below.

ARTICLE XII: REMEDIES

12.1 The City's Remedies.

(a) In the event Provider has committed or permitted an Event of Default and has been notified thereof in accordance with Section 11.2 (Notice and Cure) above, then the City may, but shall not be obligated to, without further notice to or demand on Provider and without waiving or releasing Provider from any of its obligations under this Contract:

(1) perform (or cause a third party to perform) this Contract, in whole or in part, including, without limitation, obtaining or paying for any required insurance or performing other acts capable of performance by the City. Provider shall be liable to the City for all sums paid by the City and all expenses incurred by the City (or a third party) pursuant to this Section 12.1(a)(1), together with interest at the highest legal rate permitted in the Commonwealth of Pennsylvania thereon from the date the City or its agent incurs such costs. The City shall not in any event be liable for inconvenience, expense or other damage incurred by

Provider by reason of the City's performance or paying such costs or expenses, and the obligations of Provider under this Contract shall not be altered or affected in any manner by the City's exercise of its rights under this Section 12.1 (The City's Remedies);

(2) withhold payment of, or offset against, any funds payable to or for the benefit of Provider;

(3) collect, foreclose or realize upon any bond, collateral, security or insurance provided by or on behalf of Provider; or

(4) exercise any other right the City has or may have at law, in equity, or under this Contract.

(b) In the event Provider has committed or permitted an Event of Default and has been notified thereof in accordance with Section 11.2 (Notice and Cure) above, then the City may, but shall not be obligated to, without waiving or releasing Provider from any of its obligations under this Contract, terminate or suspend this Contract in whole or in part, as set forth more fully in Article XIII (Termination and Suspension) below. In the event of partial termination or suspension, Provider shall continue the performance of this Contract to the extent not terminated or suspended. If this Contract is terminated, the City shall issue a written Termination Notice which shall set forth the effective date of the termination.

(c) The Services and Materials purchased from Provider are unique and not otherwise readily available and, recognizing that the remedy at law for any breach or threatened breach by Provider would be inadequate, and that such breach or threatened breach would cause such immediate and permanent damage as would be irreparable, and the exact amount of which the Parties would be unable to ascertain, Provider agrees that in the event of breach or threatened breach, in addition to any and all other legal or equitable remedies which may be available, the City may enforce the terms of this Contract by a decree of specific performance and may obtain temporary or permanent injunctive relief, or both, without the necessity of proving damages by reason of any such breach or threatened breach of this Contract; and to the extent permitted under applicable statutes and rules of procedure, a temporary injunction may be granted immediately upon the commencement of any suit and without notice.

12.2 <u>Concurrent Pursuit of Remedies; No Waiver</u>. The City may exercise any or all of the remedies set forth in this Article XII (Remedies), each of which may be pursued separately or in conjunction with such other remedies as the City in its sole discretion shall determine. No extension or indulgence granted by the City to Provider shall operate as a waiver of any of the City's rights in connection with this Contract. The rights and remedies of the City as described in this Article XII (Remedies), and as described elsewhere in this Contract shall not be exclusive and are in addition to any other rights or remedies available to the City under this Contract at law or in equity.

ARTICLE XIII: TERMINATION AND SUSPENSION

13.1 <u>Termination or Suspension for Convenience</u>. In addition to its rights under Articles V (Compensation) and XII (Remedies) above, the City shall have the right to terminate this Contract or suspend Provider's performance under this Contract at any time during the Initial Term or any Additional Term(s) of this Contract, for any reason, including, without limitation, the convenience of the City. If this Contract is terminated solely for the City's convenience, the City shall issue a written Termination Notice, which shall set forth the effective date of the termination. If this Contract is suspended solely for the City's convenience, the City shall issue a written Suspension Notice, which shall set forth the effective date of the suspension.

13.2 Provider Responsibilities Upon Termination or Suspension.

(a) Upon the City's transmission of a Termination Notice or a Suspension Notice under any provision of this Contract, Provider and its agents, employees and Subcontractors, shall

(1) take immediate action in an orderly manner to discontinue Services and Materials, and demobilize work forces to minimize the incurrence of costs; and

(2) upon request by the City by notice to Provider, collect, assemble and transmit to the City all Materials in such state of completion as may exist as of the effective date of the termination or suspension. All such Materials shall be clearly labeled and indexed to the satisfaction of the Responsible Official and delivered to the Responsible Official by Provider on or before the date set forth in the Termination Notice for delivery of the Materials or, if no such date is set forth in the Termination Notice, then before the effective date of termination set forth in the Termination Notice. Provider waives and releases any and all right to any retaining or charging liens or similar right or remedy in favor of Provider.

(b) The City's termination or suspension of this Contract shall not affect any obligations or liabilities of either Party accruing prior to the effective date of such termination or suspension.

(c) There shall be no liability, cost or penalty to the City for termination or suspension of this Contract.

13.3 Payment of Provider upon Termination or Suspension.

(a) Upon termination or suspension of this Contract by the City for an Event of Default, Provider shall be entitled to payment of such an amount, to be determined by the City and subject to audit, as shall compensate it for the work satisfactorily performed prior to the termination date; provided, however, that:

(1) no allowance shall be included for termination expenses or for anticipated profits, unabsorbed or underabsorbed overhead, or unperformed Services; and

(2) the City shall deduct from any amount due and payable to Provider prior to the termination date, but withheld or not paid, the total amount of fees, costs or additional expenses incurred by the City in order to satisfactorily complete the Services and Materials required to be performed by Provider under this Contract, including the expense of engaging another provider for this purpose, and such other damages, costs, losses and expenses of the City as may be incurred or result from such termination for an Event of Default.

(b) In the event of termination or suspension of this Contract by the City for the City's convenience, Provider shall be paid such an amount as shall compensate Provider for the portion of the Services satisfactorily performed and Materials satisfactorily delivered prior to the date of termination. The City shall not pay Provider any amount for Provider's termination or suspension expenses or anticipated profits, unabsorbed or underabsorbed overhead or unperformed Services and Materials not satisfactorily delivered.

13.4 Suspension. Suspension of Provider's performance under this Contract after an Event of Default shall not constitute a waiver or release of any liability of Provider for such Event of Default or any of the City's damages or other remedies arising out of such Event of Default; nor shall such suspension be deemed an election of remedies in derogation of any other remedy. Provider acknowledges that the City shall have the right, at its sole discretion, to suspend Provider's performance in the event City Council does not appropriate funds for the performance of this Contract. In the event that the City issues a Suspension Notice to Provider, such suspension shall continue from the effective date specified in the Suspension Notice until a date specified in the Suspension Notice which shall be not more than one hundred and eighty (180) days after the effective date (the "Suspension Period"). On or prior to the expiration of the Suspension Period, the City shall either terminate this Contract by giving a Termination Notice pursuant to Section 13.1 (Termination and Suspension for Convenience) above, or by notice to Provider, instruct Provider to resume the delivery of Services and Materials pursuant to this Contract upon the expiration of the Suspension Period. After issuing a Suspension Notice, the City shall pay any invoices submitted by Provider for Services rendered prior to the commencement of the Suspension Period or otherwise payable by the City to Provider under this Contract, subject to all of the City's rights and remedies against Provider, including, but not limited to, its rights of set off and its right to review and accept Services and Materials prior to payment therefor.

ARTICLE XIV: ADDITIONAL REPRESENTATIONS AND COVENANTS OF PROVIDER RELATING TO CERTAIN APPLICABLE LAWS

In addition to the representations, warranties, and covenants made by Provider in Article IV, Provider further represents, warrants, and covenants that, to the extent of their applicability to Provider, Provider is in compliance with the laws, ordinances, regulations and executive orders described below. By executing this Contract, Provider thereby certifies to such compliance. Provider further certifies that the representations, warranties, and covenants provided pursuant to this Article shall continue to remain true throughout the Term of this Contract or any other period of time required by such laws. In the event said representations, warranties, and covenants are or become untrue or inaccurate, Provider shall promptly give notice thereof to the City, specifying the manner in which said representation, warranty, or

covenant is untrue or inaccurate. The provisions of this Article are not intended to limit the applicability of the other provisions of this Contract, including, without limitation, Provider's agreement to comply with all Applicable Law.

14.1 Non-Discrimination; Fair Practices. This Contract is entered into under the terms of the Charter, the Fair Practices Ordinance (Chapter 9-1100 of the Code) and the Mayor's Executive Order No. 04-86 (the "Executive Order"), as they may be amended from time to time, and in performing this Contract, Provider shall not discriminate or permit discrimination against any individual because of race, color, religion, ancestry or national origin, sex, gender identity, sexual orientation, age or disability. Nor shall Provider discriminate or permit discrimination against individuals in employment, housing and real property practices, and/or public accommodation practices whether by direct or indirect practice of exclusion, distinction, restriction, segregation, limitation, refusal, denial, differentiation or preference in the treatment of a person on the basis of actual or perceived race, ethnicity, color, sex, sexual orientation, gender identity, religion, national origin, ancestry, age, disability, marital status, source of income, familial status, genetic information or domestic or sexual violence victim status, or Human Immunodeficiency Virus (HIV) infection, or engage in any other act or practice made unlawful under the Charter, Chapter 9-1100, the Executive Order, or under the nondiscrimination laws of the United States or the Commonwealth of Pennsylvania. In the event of any breach of this Section 14.1 (Non-Discrimination; Fair Practices), the City may, in addition to any other rights or remedies available under this Contract, at law or in equity, suspend or terminate this Contract forthwith.

14.2 Chapter 17-400 of The Philadelphia Code: Exclusionary Private Organizations.

(a) In accordance with Chapter 17-400 of the Code, Provider agrees that its payment or reimbursement of membership fees or other expenses associated with participation by its employees in an exclusionary private organization, insofar as such participation confers an employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment, promotions, terms, privileges or conditions of employment on the basis of race, color, sex, sexual orientation, religion, national origin or ancestry, constitutes, without limiting the applicability of Articles XI (Events of Default) and XII (Remedies) above, a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law or in equity.

(b) Provider agrees to cooperate with the Commission on Human Relations of the City in any manner which the Commission deems reasonable and necessary for the Commission to carry out its responsibilities under Chapter 17-400 of the Code. Provider's failure to so cooperate shall constitute, without limiting the applicability of Articles XI (Events of Default) and XII (Remedies) above, a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law or in equity.

14.3 <u>Executive Order 03-12: Minority, Woman and Disabled Business Enterprise</u> <u>Participation</u>. In accordance with Executive Order 03-12 (the "Antidiscrimination Policy"), the City, acting through its Office of Economic Opportunity ("OEO"), has established an antidiscrimination policy that relates to the solicitation and participation of Minority Business Enterprises ("MBE"), Woman Business Enterprises ("WBE"), and Disabled Business Enterprises ("DSBE") (collectively, "M/W/DSBE") in City contracts. The purpose of this Antidiscrimination Policy is to ensure that all businesses desiring to do business with the City have an equal opportunity to compete by creating access to the City's procurement process and meaningfully increasing opportunities for the participation by M/W/DSBEs in City contracts at all tiers of contracting, as prime contractors, subcontractors and joint venture partners. In furtherance of this policy, the City will, from time to time, establish participation ranges for City Contracts and City Related Special Projects. Provider agrees to comply with the requirements of the Antidiscrimination Policy by exercising its Best and Good Faith Efforts to include M/W/DSBEs in its contract, and where participation ranges are established by OEO, Provider agrees, without limitation, to submit documentation responsive to each of the participation ranges established for the Contract.

(a) <u>General Requirements</u>. In furtherance of the purposes of the Antidiscrimination Policy, Provider agrees to the following:

(1) Provider, if it has achieved participation commitments with M/W/DSBEs, represents that it has entered into legally binding agreement(s) ("M/W/DSBE Subcontract(s)") with M/W/DSBEs as participants under this Contract for the services and in the dollar amount(s) and percentage(s) as specified in the M/W/DSBE Participation Exhibit to this Contract (the "Contract Commitment(s)").

(2) Provider shall secure the prior written approval of OEO before making any changes or modifications to any Contract Commitments made by Provider herein, including, without limitation, substitutions for its MBEs, WBEs and/or DSBEs, changes or reductions in the services provided by its M/W/DSBE participants, or changes or reductions in the dollar amounts and/or percentage value paid to its M/W/DSBE participants.

(3) Unless otherwise specified in the M/W/DSBE Subcontract between the Provider and its M/W/DSBE participant as described in (a) (1) above, Provider shall, within five (5) business days after receipt of a payment from the City for services performed under the Contract, deliver to its M/W/DSBE participant, its proportionate share of such payment for services performed by the M/W/DSBE participant. In connection with payment of its M/W/DSBE participants, Provider agrees to fully comply with the City's payment reporting process which may include the use of electronic payment verification systems.

(4) Provider shall, in the event of an increase in units of work and/or compensation under the Contract, increase its Contract Commitment(s) with its M/W/DSBE participants proportionately, which increase shall be reflected in the M/W/DSBE Subcontract(s) described in (a) (1) above. OEO may from time to time request documentation from Provider evidencing compliance with this provision.

(5) Provider shall submit, within the time frames prescribed by the City, any and all documentation the City may request, including, but not limited to, copies of M/W/DSBE Subcontracts, participation summary reports, M/W/DSBE participant invoices, telephone logs and correspondence with M/W/DSBE participants, cancelled checks and

certification of payments. Provider shall maintain all documentation related to this Section for a period of five (5) years from the date of Provider's receipt of final payment under the Contract.

(6) Provider agrees that the City may, in its sole discretion, conduct periodic reviews to monitor Provider's compliance with the terms of this Antidiscrimination Policy.

(7) Provider agrees that in the event the City determines that Provider has failed to comply with any of the requirements of this Antidiscrimination Policy, including substantial compliance with any Contract Commitment, the City may, in addition to any other rights and remedies it may have under the Contract which includes termination of the Contract, exercise one or more of the following remedies which shall be deemed cumulative and concurrent:

(.a) Debar Provider from proposing on and/or participating in any future contracts for a maximum period of three (3) years.

(.b) Withhold payment(s) or any part thereof until corrective action is taken. If corrective action is not taken to the satisfaction of OEO, the City may, without institution of a lawsuit, deduct money in an amount equal to the M/W/DSBE shortfall which amount shall be collected and considered not as a penalty but as liquidated damages for the Provider's failure to comply with the contract.

(8) No privity of contract exists between the City and any M/W/DSBE participant identified herein and the City does not intend to give or confer upon any such M/W/DSBE participant(s) any legal rights or remedies in connection with the subcontracted services pursuant to the Antidiscrimination Policy or by reason of this Contract except such rights or remedies that the M/W/DSBE participant may seek as a private cause of action under any legally binding contract to which it may be a party. The remedies enumerated above are for the sole benefit of the City and City's failure to enforce any provision or the City's indulgence of any non-compliance with any provision hereunder, shall not operate as a waiver of any of the City's rights in connection with this Contract nor shall it give rise to actions by any third parties including identified M/W/DSBE participants.

(b) <u>Special Requirements Applicable to Non-Profit Providers.</u> In the event the Provider is a non-profit, the Contract may not be subject to M/W/DSBE participation ranges, but Provider shall demonstrate its compliance with the Antidiscrimination Policy by providing annually to OEO, the following information:

(1) a statement identifying the race, gender, disability status and ethnic composition of its workforce and board of directors; and

(2) a list of the nonprofit's five highest dollar value M/W/DSBE suppliers of products and services; and

(3) the nonprofit's written "equal opportunity statement," an assurance of the nonprofit's efforts to maintain a diverse workforce and board of directors and operate a fair and effective supplier diversity program.

(c) <u>Criminal Liability for Fraudulent Conduct or False Statements.</u> Provider hereby verifies that all information submitted to the City in connection with the Antidiscrimination Policy, is true and correct and is notified that the submission of false information is subject to the penalties of 18 Pa.C.S. §4904 relating to unsworn falsification to authorities, which may include payment of a fine of at least \$1,000 and a term of imprisonment of not more than two years. Provider also acknowledges that under 18 Pa.C.S. §4107.2 (a)(4) it is a felony in the third degree, punishable by a term of imprisonment of not more than seven years in addition to the payment of any fines or restitution, if, under this Contract, Provider fraudulently obtains public moneys reserved for or allocated or available to minority business enterprises or women's business enterprises.

14.4 **Federal Laws.** Provider shall comply with the provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d - 2000d.7), Section 504 of the Federal Rehabilitation Act of 1973 (29 U.S.C. § 794), the Age Discrimination Act of 1975, (42 U.S.C. §§ 6101 - 6107), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), and 45 C.F.R. Part 92, as they may be amended from time to time, which together prohibit discrimination on the basis of race, color, national origin, sex, handicap, age and religion.

14.5 Americans With Disabilities Act. Provider understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this Contract or from providing Services or Materials under this Contract. By executing and delivering this Contract, Provider covenants to comply with all provisions of the ADA and all regulations promulgated thereunder, as the ADA and regulations may be amended from time to time, which are applicable (a) to Provider; (b) to the benefits, Services, Materials, activities, facilities and programs provided in connection with this Contract; (c) to the City, or the Commonwealth of Pennsylvania; (d) to the benefits, services, activities, facilities and programs of the City or of the Commonwealth; and (e) if any funds under this Contract are provided by the federal government, which are applicable to the federal government and its funds, benefits, services, activities, facilities and programs applicable to this Contract. Without limiting the applicability of the preceding sentence, Provider shall comply with the "General Prohibitions Against Discrimination," 28 C.F.R. Part 35.130, and all other regulations promulgated under Title II of the ADA, as they may be amended from time to time, which are applicable to the benefits, services, facilities, programs and activities provided by the City through contracts with outside contractors.

14.6 Northern Ireland.

(a) In accordance with Section 17-104 of the Code, Provider by execution of this Contract certifies and represents that (1) Provider (including any parent company, subsidiary, exclusive distributor or company affiliated with Provider) does not have, and will not have at any time during the Term of this Contract (including any extensions of the Term), any investments, licenses, franchises, management agreements or operations in Northern Ireland and (2) no

product to be provided to the City under this Contract will originate in Northern Ireland, unless Provider has implemented the fair employment principles embodied in the MacBride Principles.

(b) In the performance of this Contract, Provider agrees that it will not use any suppliers, Subcontractors or subconsultants at any tier (1) who have (or whose parent, subsidiary, exclusive distributor or company affiliate have) any investments, licenses, franchises, management agreements or operations in Northern Ireland or (2) who will provide products originating in Northern Ireland unless said supplier, subconsultant or Subcontractor has implemented the fair employment principles embodied in the MacBride Principles.

(c) Provider agrees to cooperate with the City's Director of Finance in any manner which the said Director deems reasonable and necessary to carry out the Director's responsibilities under Section 17-104 of the Code. Provider expressly understands and agrees that any false certification or representation in connection with this Section 14.6 (Section 17-104 of the Code) and any failure to comply with the provisions of this Section 14.6 (Section 17-104 of the Code) shall constitute a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law (including, but not limited to, Section 17-104 of the Code) or in equity. In addition, Provider understands that false certification or representation is subject to prosecution under Title 18 Pa.C.S.A. § 4904.

14.7 Limited English Proficiency. Provider understands and agrees that no individual who is limited in his or her English language proficiency shall be denied access to Services provided under this Contract on the basis of that limitation. As a condition of accepting and executing this Contract, Provider shall comply with all provisions of Title VI of the Civil Rights Act of 1964, the President of the United States of America Executive Order No. 12250, the Mayor of the City of Philadelphia's Executive Order entitled "Access to Federally Funded City Programs and Activities for Individuals with Limited English Proficiency" dated September 29, 2001, and all regulations promulgated thereunder, as the Act and regulations may be amended from time to time, which are applicable (a) to Provider, (b) to the benefits, services, activities and programs provided in connection with this Contract, (c) to the City, or the Commonwealth of Pennsylvania, and (d) to the benefits, services, activities and programs of the City or of the Commonwealth, and if any funds under this Contract are provided by the federal government, which are applicable to the federal government and its benefits, services, activities and programs. Without limiting the applicability of the preceding sentence, Provider shall comply with 45 C.F.R. 80 et. seq. and all other regulations promulgated under Title VI of the Civil Rights Act of 1964, as they may be amended from time to time, which are applicable to the benefits, services, programs and activities provided by the City through contracts with outside contractors.

14.8 Business, Corporate and Slavery Era Insurance Disclosure.

In accordance with Section 17-104 of the Code, the Provider, after execution of this Agreement, will complete an affidavit certifying and representing that the Provider (including any parent company, subsidiary, exclusive distributor or company affiliated with Provider) has searched any and all records of the Provider or any predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the

slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit.

The Provider expressly understands and agrees that any false certification or representation in connection with this Paragraph and/or any failure to comply with the provisions of this Paragraph shall constitute a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available in law (including, but not limited to, Section 17-104 of the Code) or equity and the contract will be deemed voidable. In addition, it is understood that false certification or representation is subject to prosecution under Title 18 Pa.C.S.A. Section 4904.

14.9 Protected Health Information.

(a) The City of Philadelphia is a "Covered Entity" as defined in the regulations issued pursuant to the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). The City's business activities include both (1) functions which make the City a Covered Entity, and, therefore, subject to HIPAA, and (2) functions that are not subject to HIPAA. In accordance with 45 CFR §164.105(a)(2)(iii)(D), the City has designated certain departments and units of the City as health care components that must comply with HIPAA ("Covered Components"). The Covered Components of the City as of August 1, 2013 include: Ambulatory Health Services, a unit of the Philadelphia Department of Public Health ("PDPH"); the Office of Behavioral Health and Intellectual disAbility Services; the Philadelphia Nursing Home (a unit of PDPH); the Benefits Administration Unit of the Office of Human Resources; Emergency Medical Services (a unit of the Philadelphia Fire Department); and the Philadelphia Public Health Laboratory (a unit of PDPH). This list is subject to change, and any department or unit of the City that the City in the future determines to be a Covered Component under HIPAA shall be deemed to be a Covered Component for purposes of this Section 14.9.

(b) To the extent (1) this Contract is entered into by the City for or on behalf of a Covered Component and/or requires the performance of services that will be delivered to or used by a Covered Component (whether or not the City department or unit through which the City entered the Contract is a Covered Component), and (2) Provider is a "Business Associate" of the City, as defined in 45 CFR §160.103, Provider shall comply with the City's Terms and Conditions Relating to Protected Health Information ("City PHI Terms") posted on the City's website (at https://secure.phila.gov/eContract/ under the "About" link). The City PHI Terms are hereby incorporated in this Section 14.9 as if fully set forth herein. (A printed version of the City PHI Terms, in the City's sole discretion, also may be attached to this Contract.)

14.10 <u>Chapter 17-1300 of The Philadelphia Code: Philadelphia 21st Century</u> <u>Minimum Wage and Benefits Standard</u>.

(a) Provider is a "Service Contractor" in that by virtue of entering into this Contract, Provider has entered into a "Service Contract," as those terms are defined in Chapter 17-1300 of the Code. Any Subcontract between Provider and a Subcontractor to perform Services under this Contract is a "Service Contract" and such Subcontractors are also "Service Contractors" for purposes of Chapter 17-1300 as are any subcontract and subcontractor at any

tier providing Services under this Contract. (Chapter 17-1300 is accessible at <u>http://www.amlegal.com/library/pa/philadelphia.shtml</u>.) If such Service Contractor (Provider or any subcontractor at any tier) is also an "Employer," as that term is defined in Section 17-1302 (more than 5 employees), and further described in Section 17-1303 of the Code, then absent a waiver, during the Initial Term and any Additional Term, in addition to any applicable state and federal requirements, Provider shall provide, and shall enter into Subcontracts and otherwise cause any subcontractors at any tier that are also Service Contractors to provide, their respective covered Employees (persons who perform work for a covered Employer that arises directly out of a Service Contract), with at least the minimum wage standard and minimum benefits standard, and required notice thereof, stated in federal and state law and in Chapter 17-1300 of the Code. A summary of the current requirements is as follows:

(1) Minimum Wage.

(.a) for the period through December 31, 2014, provide covered Employees with an hourly wage, excluding benefits, that is no less than \$10.88/hour;

(.b) as of January 1, 2015, provide their covered Employees with an hourly wage, excluding benefits, that is no less than \$12/hour;

(.c) commencing as of January 1, 2016, for wages to be provided on and after January 1 of each year during which the Initial Term and any Additional Term is in effect, provide their covered Employees with an hourly wage, excluding benefits, that is no less than the result of multiplying \$12 by the then current CPI Multiplier as annually adjusted. For purposes of determining the minimum hourly wage required, the CPI Multiplier is calculated annually by the City's Director of Finance by dividing the most recently published Consumer Price Index for all Urban Consumers (CPI-U) as of each January 1 by the CPI-U most recently published as of January 1, 2015. The then current minimum hourly wage applicable to City contractors and subcontractors will be posted on the City's web site.

(2) Minimum Benefits.

(.a) to the extent an Employer provides health benefits to any of its employees, provide each full-time, non-temporary, non-seasonal covered Employee with health benefits at least as valuable as the least valuable health benefits that are provided to any other full-time employees of the Employer; and

(.b) provide to each full-time, non-temporary, non-seasonal covered Employee at least the minimum number of earned sick leave days required by Code Section 17-1305(2).

(3) <u>Generally</u>. Notwithstanding the above requirements, to the extent a change in law would require an increase in wages or benefits under Chapter 17-1300 (for example, an increase in the federal minimum wage to \$9.00/hour, which would increase the required City minimum wage to \$13.50 due to the Chapter's requirement of \$150% of the federal

minimum wage), such new requirement will take effect only at the start of an Additional Term, if any, commencing on or after the date of the new legal requirement.

(b) If covered, absent a waiver, Provider shall promptly provide to the City all documents and information as the City may require verifying its compliance, and that of all Service Contractors providing Services under the Contract, with the requirements of Chapter 17-1300. Each covered Service Contractor shall notify each affected Employee what wages and benefits are required to be paid pursuant to Chapter 17-1300.

(c) Absent a waiver, a Provider subject to Chapter 17-1300 shall comply with all of its requirements as they exist on the date when the Provider entered into this Contract with the City or into an amendment thereto. Provider shall take such steps as are necessary to notify its Subcontractors of these requirements, and to cause such Subcontractors to notify lower-tier subcontractors that are Service Contractors of these requirements, including, without limitation, by incorporating this Section 14.10, with appropriate adjustments for the identity of the parties, in its Subcontracts with such Subcontractors. A Provider or subcontractor at any tier subject to Chapter 17-1300 that fails to comply with these provisions may, after notice and hearing before the Director of Finance or such other officer or agency designated by the Mayor, be suspended from receiving financial assistance from the City or from bidding on and/or participating in future City contracts, whether as a prime contractor or a subcontractor, for up to three (3) years. City Council may also initiate a similar suspension or debarment process. Such suspension or debarment shall be in addition to any of the other sanctions or remedies set forth in Chapter 17-1300 or this Contract.

(d) Without limiting the applicability of Articles XI (Events of Default) and XII (Remedies) above, Provider's failure to comply, or the failure of subcontractors at any tier to comply, with the requirements of Chapter 17-1300 shall constitute a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law or in equity.

(e) Provider's covered Employees shall be deemed third-party beneficiaries of Provider's representation, warranty, and covenant to the City under this Section 14.10 only, and the covered Employees of a subcontractor at any tier that is also a covered Employer performing Services directly or indirectly under a subcontract at any tier shall be deemed third-party beneficiaries of their Employer's representation, warranty and covenant to Provider or such subcontractors at any tier, as the case may be, under this Section.

(f) The Office of Labor Standards may grant a partial or total waiver of Chapter 17-1300 based on specific stipulated reasons elaborated in Section 17-1304 of the Code. An overview offering guidance on the applicability of, and requirements placed on City contractors and subcontractors by Chapter 17-1300 of the Code is available on the City's website at <u>https://secure.phila.gov/eContract/</u> under the "About" link; see "Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors."

14.11 <u>Chapter 17-1400 of the Philadelphia Code: Contributions and Other</u> <u>Mandatory Disclosures.</u>

(a) Provider confirms on behalf of itself and its Subcontractor(s) that no contribution(s) have been made and agrees that none shall be made during the Term of this Contract, and any Additional Term, by Provider, any Subcontractor, or any party from which a contribution can be attributed to the Provider or Subcontractor, that would render the Provider or Subcontractor, as applicable, ineligible to apply for or enter into a Non-Competitively Bid Contract under the provisions of Sections 17-1404(1) and 17-1405 of the Code; and that disclosures made as part of its application to receive a Non-Competitively Bid Contract contain no material misstatements or omissions. Breach of this covenant shall constitute an event of default and render the Contract voidable at the City's option, and, as to contributions made by or attributable to Provider, shall make the Provider liable for liquidated damages to the City in the amount of ten percent (10%) of the maximum payments to the Provider allowed under the Contract, regardless whether actually paid. The City may exercise any or all of the remedies set forth in this Section 14.11 (Contributions and Other Mandatory Disclosures), each of which may be pursued separately or in conjunction with such other remedies as the City in its sole discretion shall determine. No extension or indulgence granted by the City to Provider shall operate as a waiver of any of the City's rights in connection with this Contract. The rights and remedies of the City as described in this Section 14.11, and as described elsewhere in this Contract, shall not be exclusive and are in addition to any other rights or remedies available to the City under this Contract at law or in equity.

(b) Provider shall, during the term of the Contract, any Additional Term, and for one year thereafter, disclose any contribution of money or in-kind assistance the Provider, Subcontractor or any Consultant utilized by Provider in connection with this Contract, has made, or any individual or entity has made if such contributions can be attributed to Provider, or such Subcontractor or Consultant pursuant to the attribution rules of Section 17-1405, during such time period to a candidate for nomination or election to any public office in the Commonwealth of Pennsylvania or to an individual who holds such office, or to any political committee or state party in the Commonwealth of Pennsylvania, or to any group, committee or association organized in support of any such candidate, office holder, political committee or state party, and the date and amount of such contribution.

(c) It shall not be a violation of Section 14.11(b) above if Provider fails to disclose a contribution made by a Consultant because the Provider was unable to obtain such information from the Consultant, provided the Provider demonstrates that it used reasonable efforts to attempt to obtain such information, including, at a minimum:

(1) Entering into a written agreement with the Consultant for such Consultant's services, before the filing of the application for the Contract, and before the Consultant communicated with a City department or office, official or employee on behalf of the Provider;

(2) Including in such agreement a provision requiring the Consultant to provide the Provider in a timely manner with all information required to be disclosed under the

provisions of Chapter 17-1400 of the Code, and providing, in effect, that the agreement will be terminated by the Provider if the Consultant fails to provide all required information on a timely basis and that no further payments, including payments owed for services performed prior to the date of termination, will be made to the Consultant by or on behalf of the Provider as of the date of such termination;

(3) Communicating regularly with the Consultant concerning the Consultant's obligations to provide timely information to permit the Provider to comply with the provisions of Chapter 17-1400; and

(.4) Invoking the termination provisions of the written agreement in a full and timely manner.

(d) The Provider shall, during the Term of the Contract, any Additional Term, and for one year thereafter, disclose the name and title of each City officer or employee who, during such time period, asked the Provider, any officer, director or management employee of the Provider, or any Person representing the Provider, to give money, services, or any other thing of value (other than a Contribution as defined in Section17-1401) to any Person, and any payment of money, provision of services, or any other thing of value (other than a Contribution as defined in Section17-1401) given to any Person in response to any such request. The Provider shall also disclose the date of any such request, the amount requested, and the date and amount of any payment made in response to such request.

(e) The Provider shall during the Term, and any Additional Term, of the Contract disclose the name and title of each City officer or employee who directly or indirectly advised the Provider, any officer, director or management employee of the Provider, or any Person representing the Provider that a particular Person could be used by the Provider to satisfy any goals established in the Contract for the participation of minority, women, disabled or disadvantaged business enterprises. The Provider shall also disclose the date the advice was provided, and the name of such particular Person.

(f) The disclosures required by Sections 14.11(b), (d) and (e) shall be made utilizing the online disclosure update process through Provider's eContract Philly account which can be accessed on the City's website at <u>www.phila.gov/contracts</u> by clicking on eContract Philly. Such disclosures shall be made within five (5) business days of the action or event requiring Provider to update its disclosures. In the case of updates to political contributions made by Provider required by Section 14.11(b), the attribution rules of Section 17-1405 shall apply to determine what contributions must be disclosed under this provision as contributions of the Provider or of a Consultant. Provider is advised that any individual who submits an update on eContract Philly must be an authorized signatory of the Provider, authorized to make the required updated disclosures.

(g) Reports of the updated disclosures required by Sections 14.11(b), (d) and (e) shall be forwarded to the President and Chief Clerk of Council, and to the Mayor, Finance Director, Procurement Department, and the Department of Records.

14.12 Executive Order 03-11: Gifts.

(a) Pursuant to Executive Order 03-11, no official or employee in the Executive and Administrative Branch of the City shall solicit or accept, directly or indirectly, anything of value, including any gift, gratuity, favor, entertainment, invitation, food, drink or loan, unless consideration of equal or greater value is conveyed in return, from any of the following sources:

(1) A person seeking to obtain business from, or who has financial relations with, the City;

(2) A person whose operations or activities are regulated or inspected by any City agency;

(3) A person engaged, either as principal or attorney, in proceedings before any City agency or in court proceedings in which the City is an adverse party;

(4) A person seeking legislative or administrative action by the City; or

(5) A person whose interests may be substantially affected by the performance or nonperformance of the official's or employee's official duties.

(b) Provider understands and agrees that if it offers anything of value to a City official or employee under circumstances where the receipt of such item would violate the provisions of this Executive Order, Provider shall be subject to sanctions with respect to future City contracts. Such sanctions may range from disqualification from participation in a particular contract to debarment, depending on the nature of the violation.

14.13 Chapter 17-1900 of the Philadelphia Code: Equal Benefits Ordinance.

(a) Unless Provider is a government agency, this is a "Service Contract" as that term is defined in Section 17-1901(4) of the Code. If the Service Contract is in an amount in excess of \$250,000, then pursuant to Chapter 17-1900 of the Code, Provider shall, for any of its employees who reside in the City, or any of its employees who are non-residents subject to City wage tax under Section 19-1502(1)(b) of the Code, extend the same employment benefits the Provider extends to spouses of its employees to life partners of such employees. By submitting a bid/proposal for the work to be performed under this contract, the contractor certified and hereby confirms that at the time the bidder or offeror submitted its proposal that neither it nor its principals was debarred or suspended by any Federal department or agency from participation in this transaction. The contractor hereby certifies that at the time it executes this contract neither it nor its principals is presently debarred or suspended by any Federal department or agency federal department or agency from participation in this transaction.

CERTIFICATION REGARDING DEBARMENT AND SUSPENSION (SUCCESSFUL BIDDER REGARDING LOWER TIER PARTICIPANTS)

The successful bidder, by administering each lower tier subcontract that exceeds \$25,000 as a "covered transaction", must verify each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally assisted project. The successful bidder will accomplish this by:

- 1. Checking the System for Award Management at website: http://www.sam.gov
- 2. Collecting a certification statement similar to the Certificate Regarding Debarment and Suspension (Bidder or Offeror), above.
- 3. Inserting a clause or condition in the covered transaction with the lower tier contract

If the FAA or the TSA or any other Federal agency providing funding later determines that a lower tier participant failed to tell a higher tier that it was excluded or disqualified at the time it entered the covered transaction, the FAA or the TSA or any other Federal agency providing funding may pursue any available remedy, including suspension and debarment.

V. THE FOLLOWING PROVISIONS APPLY TO ALL CITY OF PHILADELPHIA CONTRACTS FOR PROFESSIONAL SERVICES FOR THE CITY'S DIVISION OF AVIATION AND MUST BE INCLUDED BY THE PROVIDER IN EVERY SUBCONTRACT <u>IF</u> THE CITY WILL USE ANY FEDERAL FUNDING TO PAY FOR ANY PORTION OF THE CONTRACT WORK (SEE THE HEADING FOR PART 2, SECTION II ABOVE) <u>AND IF</u> THE CONTRACT OR SUBCONTRACT IS FOR MORE THAN \$100,000:

3. 3. Withholding for Unpaid Wages and Liquidated Damages.

The FAA, the TSA or the City of Philadelphia Division of Aviation shall upon its own action or upon written request of an authorized representative of the U.S. Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph 2 above.

VI. THE FOLLOWING PROVISIONS APPLY TO ALL CITY OF PHILADELPHIA CONTRACTS FOR PROFESSIONAL SERVICES FOR THE CITY'S DIVISION OF AVIATION <u>IF</u> THE CITY WILL USE ANY U.S. DEPARTMENT OF TRANSPORTATION (US DOT) GRANT FUNDING TO PAY FOR ANY PORTION OF THE CONTRACT WORK, <u>DETERMINED AS FOLLOWS</u>: IF THIS PROVIDER AGREEMENT'S AFFIRMATIVE ACTION PROVISIONS (GENERALLY IN EXHIBIT PA-2) CONCERN "DISADVANTAGED BUSINESS ENTERPRISES" AND 49 CFR PART 26 (INSTEAD OF "MINORITY/WOMAN/DISABLED-OWNED BUSINESSES" AND CITY EXECUTIVE ORDER 3-12), THEN THE PROVIDER SHALL CONCLUDE THAT THE CITY WILL USE US DOT GRANT FUNDING, AND SHALL COMPLY WITH THESE PROVISIONS AND INCLUDE THEM IN EVERY SUBCONTRACT:

The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of US Department of Transportation- assisted contracts. (B) BUY AMERICAN CERTIFICATION

NOTE: The following provisions apply to professional services agreements (1) if the professional services agreement includes any manufactured product as a deliverable, and (2) as a guideline to be followed in the development of design specifications.

The contractor agrees to comply with 49 USC § 50101, which provides that Federal funds may not be obligated unless all steel and manufactured goods used in AIP-funded projects are produced in the United States, unless the FAA has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

A bidder or offeror must submit the appropriate Buy America certification (below) with all bids or offers on AIP funded projects. Bids or offers that are not accompanied by a completed Buy America certification must be rejected as nonresponsive.

Type of Certification is based on Type of Project:

There are two types of Buy American certifications.

- For projects for a facility, the Certificate of Compliance Based on Total Facility (Terminal or Building Project) must be submitted.
- For all other projects, the Certificate of Compliance Based on Equipment and Materials Used on the Project (Non-building construction projects such as runway or roadway construction; or equipment acquisition projects) must be submitted.

Certificate of Buy American Compliance for Total Facility

(Buildings such as Terminal, SRE, ARFF, etc.)

As a matter of bid responsiveness, the bidder or offeror must complete, sign, date, and submit this certification statement with their proposal. The bidder or offeror must indicate how they intend to comply with 49 USC § 50101 by selecting one of the following certification statements. These statements are mutually exclusive. Bidder must select one or the other (i.e. not both) by inserting a checkmark (\checkmark) or the letter "X".

Bidder or offeror hereby certifies that it will comply with 49 USC. 50101 by:

a) Only installing steel and manufactured products produced in the United States; or

- b) Installing manufactured products for which the FAA has issued a waiver as indicated by inclusion on the current FAA Nationwide Buy American Waivers Issued listing; or
- c) Installing products listed as an Excepted Article, Material or Supply in Federal Acquisition Regulation Subpart 25.108.

By selecting this certification statement, the bidder or offeror agrees:

- 1. To provide to the Owner evidence that documents the source and origin of the steel and manufactured product.
- 2. To faithfully comply with providing US domestic products
- 3. To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

□ The bidder or offeror hereby certifies it cannot comply with the 100% Buy American Preferences of 49 USC § 50101(a) but may qualify for either a Type 3 or Type 4 waiver under 49 USC § 50101(b). By selecting this certification statement, the apparent bidder or offeror with the apparent low bid agrees:

- 1. To the submit to the Owner within 15 calendar days of the bid opening, a formal waiver request and required documentation that support the type of waiver being requested.
- 2. That failure to submit the required documentation within the specified timeframe is cause for a non-responsive determination may results in rejection of the proposal.
- 3. To faithfully comply with providing US domestic products at or above the approved US domestic content percentage as approved by the FAA.
- 4. To furnish US domestic product for any waiver request that the FAA rejects.
- 5. To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

Required Documentation

Type 3 Waiver - The cost of components and subcomponents produced in the United States is more that 60% of the cost of all components and subcomponents of the "facility". The required documentation for a type 3 waiver is:

- a) Listing of all manufactured products that are not comprised of 100% US domestic content (Excludes products listed on the FAA Nationwide Buy American Waivers Issued listing and products excluded by Federal Acquisition Regulation Subpart 25.108; products of unknown origin must be considered as non-domestic products in their entirety)
- b) Cost of non-domestic components and subcomponents, excluding labor costs associated with final assembly and installation at project location.

c) Percentage of non-domestic component and subcomponent cost as compared to total "facility" component and subcomponent costs, excluding labor costs associated with final assembly and installation at project location.

Type 4 Waiver – Total cost of project using US domestic source product exceeds the total project cost using non-domestic product by 25%. The required documentation for a type 4 of waiver is:

- a) Detailed cost information for total project using US domestic product
- b) Detailed cost information for total project using non-domestic product

False Statements: Per 49 USC § 47126, this certification concerns a matter within the jurisdiction of the Federal Aviation Administration and the making of a false, fictitious or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code.

(C) TEXTING WHEN DRIVING

In accordance with Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving" (10/1/2009) and DOT Order 3902.10 "Text Messaging While Driving" (12/30/2009), FAA encourages recipients of Federal grant funds to adopt and enforce safety policies that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or sub-grant.

The contractor must promote policies and initiatives for employees and other work personnel that decrease crashes by distracted drivers, including policies to ban text messaging while driving. The contractor must include these policies in each third party subcontract involved on this project.

(D) VETERAN'S PREFERENCE

In the employment of labor (except in executive, administrative, and supervisory positions), preference must be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Title 49 United States Code, Section 47112. APPENDIX B (Consisting of Appendix B-1 and Appendix B-2)

CITY OF PHILADELPHIA OFFICE OF ECONOMIC OPPORTUNITY ANTIDISCRIMINATION POLICY-MINORITY, WOMAN AND DISABLED OWNED BUSINESS ENTERPRISES

SPECIAL CONTRACT PROVISIONS, INSTRUCTIONS AND FORMS

APPENDIX CITY OF PHILADELPHIA OFFICE OF ECONOMIC OPPORTUNITY ANTIDISCRIMINATION POLICY- MINORITY, WOMAN AND DISABLED OWNED BUSINESS ENTERPRISES FORMS, INSTRUCTIONS AND SPECIAL CONTRACT PROVISIONS (On-Call Environmental Engineering Consulting Services for the Philadelphia, Department of Commerce, Division of Aviation)

Under the authority of Executive Order No. 03-12, the City of Philadelphia has established an antidiscrimination policy ("Policy") relating to the participation of Minority (MBE), Woman (WBE) and Disabled (DSBE) Owned Business Enterprises in City contracts. Executive Order 03-12 is administered by the City's Office of Economic Opportunity ("OEO").

The purpose of this Policy is to provide equal opportunity for all businesses and to assure that City funds are not used, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. The City is committed to fostering an environment in which all businesses are free to participate in business opportunities without the impediments of discrimination and participate in all City contracts on an equitable basis. In accordance with the contracting requirements of the City, the City's antidiscrimination policy is applicable to this Notice of Contracting Opportunity (hereinafter, "NOCO").¹

The Office of Economic Opportunity has approved the following projected ranges of participation for this NOCO which serve as a guide in determining each applicant's responsibility:

And/OR

These ranges represent the percentage of MBE, WBE and/or DSBE (collectively, "M/W/DSBE") participation that should be attained by M/W/DSBEs from business opportunities existing in the available market absent discrimination in the solicitation and selection of these businesses and through applicant's exercise of Best and Good Faith Efforts. Best and Good Faith Efforts are those efforts, the scope, intensity and appropriateness of which are taken to achieve meaningful and representative opportunities for participation by M/W/DSBEs. These ranges are derived from an analysis of factors such as the size and scope of the contract and the availability of certified M/W/DSBEs to perform various elements of the contract. The submission of a Solicitation For Participation and Commitment Form and any supporting documentation (more fully discussed below) is an element of responsiveness to the NOCO and failure to submit the required information will result in rejection of your proposal.

Applicant hereby verifies that all forms, information and documentation submitted to OEO are true and correct and is notified that the submission of false information by applicant is subject to the penalties of 18 Pa.C.S. §4904 relating to unsworn falsification to authorities which may include payment of a fine of at least \$1,000 and a term of imprisonment of not more than two years. Applicant also acknowledges that under 18 Pa.C.S. §4107.2 (a)(4) it is a felony in the third degree, punishable by a term of imprisonment of not more than seven years in addition to the payment of any fines or restitution, if, under any contract awarded

WBE <u>25 % - 30 %</u> DSBE <u>% - %</u>

¹ The term "Notice of Contracting Opportunity," shortened to the acronym "NOCO," refers to the City's contract solicitation documents and information posted on eContract Philly. Generally, these documents take the form of a Request for Proposals (RFP), Request for Qualifications (RFQ) or Request for Expression of Interest (RFI) and include any other document or information (for example, exhibits, appendices) related to the posting of the new contract opportunity.

pursuant to this NOCO, applicant fraudulently obtains public moneys reserved for or allocated or available to minority business enterprises or women's business enterprises.

A. M/W/DSBE PARTICIPATION

1.Only firms that are certified by an approved certifying agency² and identified in the OEO Certification Registry by the time of contract award will be credited toward the participation ranges on City contracts. An OEO Certification Registry is maintained by the OEO and is available online at <u>www.phila.gov/OEO/directory</u>. Firms owned and controlled by minority persons, women or disabled persons, which are certified as MBE, WBE, DSBE or DBE by an approved certifying agency may apply to the OEO for listing in its OEO Certification Registry.

2. No applicant that seeks to meet the participation range(s) for participation by entering into a subcontract with any M/W/DSBE participant shall be considered to meet the range(s) if the M/W/DSBE participant does not perform a commercially useful function ("CUF"). An M/W/DSBE performs a Commercially Useful Function when it performs a distinct element of a City Contract (as required by the services to be performed in accordance with the NOCO) which is worthy of the dollar amount of the M/W/DSBE Subcontract and the M/W/DSBE carries out its responsibilities by managing and supervising the services involved and actually self-performing at least twenty percent (20%) of the services of the Subcontract with its own employees. For suppliers, an M/W/DSBE performs a Commercially Useful Function when it is responsible for sourcing the material, negotiating price, determining quality and quantity, ordering the material and paying for it from its own funds. Commercial usefulness will be evaluated and determined by the OEO on a proposal basis as informed by prevailing industry standards and the M/W/DSBE's NAIC codes. Participation that is not commercially useful will not be counted.

3. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. Applicants will note with their submission which category, MBE or WBE or DSBE, is submitted for credit.

4. An MBE/WBE/DSBE submitting as the prime applicant is required, like all other applicants, to submit a proposal that is responsive to the Policy. The M/W/DSBE Applicant will receive credit towards the participation range for its certification category (e.g., MBE range or WBE range or DSBE range). In addition, the participation of an M/W/DSBE partner, as part of a joint venture created for this contract, may be credited towards the participation ranges only to the extent of the M/W/DSBE partner's ownership interest in the joint venture in accordance with the following criteria:

• The MBE, WBE or DSBE partner(s) must be identified in the OEO Registry prior to contract

award;

• The M/W/DSBE partner(s) must derive substantial benefit from the arrangement;

• The M/W/DSBE partner(s) must be substantially involved in all phases of the contract including planning, staffing and daily management;

• The business arrangement must be customary (i.e., each partner shares in the risk and profits of the joint venture commensurate with their ownership interest, contributes working capital and other resources, etc).

² Approved certifying agencies are identified on the OEO webpage found at <u>www.phila.gov/OEO</u>. Applicant is strongly encouraged to search the Pennsylvania Unified Certification Program ("PaUCP") Directory which offers a robust listing of DBEs; the PaUCP Directory is found at <u>www.paucp.com</u>.

5. M/W/DSBE Subcontractors must perform at least twenty percent (20%) of the total amount of work to be performed under the Subcontract with their own employees.

6. In listing participation commitments on the Solicitation for Participation and Commitment Form, applicants are required to list a detailed description of the services or supply effort, the dollar amount of the quotation, and percentage of the contract the participation represents. In calculating the percentage amount, applicants may apply the standard mathematical rules in rounding off numbers. The OEO reserves the right to request clarifying information from applicants in the event of an inconsistency or ambiguity in the Solicitation For Participation and Commitment Form.

B. RESPONSIVENESS

1. A proposal responsive to the Policy is one which contains documentary evidence of the M/W/DSBEs that have been solicited and that will be used by the applicant on the contract, if awarded; where the proposal satisfies the M/W/DSBE participation ranges for that contract, the applicant is rebuttably presumed not to have discriminated in its selection of contract participants.

2. Applicants must submit documentary evidence of MBE, WBE and DSBEs who have been solicited and with whom commitments have been made in response to each of the participation ranges included in this NOCO. Failure to submit the Solicitation For Participation and Commitment Form will result in the rejection of the proposal as nonresponsive, although the City, at its sole discretion, may allow applicants to submit or amend the Solicitation For Participation and Commitment Form at any time prior to award. The Solicitation For Participation and Commitment Form must contain the following information:

Documentation of all solicitations (regardless of whether commitments resulted)

therefrom) as well as all commitments made on the enclosed document entitled "Solicitation For Participation and Commitment Form". Applicants should only make actual solicitations of M/W/DSBEs whose services or materials are within the scope of this NOCO. Mass mailing of a general nature to M/W/DSBEs or similar methods will not be deemed solicitation, but rather will be treated as informational notification only. A reasonable period of time should be given to all solicited firms to ensure that they have sufficient time to adequately prepare their quotes/subproposals. The applicant's listing of a commitment with an M/W/DSBE constitutes a representation that the applicant has made a legally binding commitment to contract with such firm, upon receipt of a contract award from the City ("Contract Commitment").

• If the applicant has entered into a joint venture with an MBE, WBE and/or DSBE partner, the applicant is also required to submit along with the Solicitation For Participation and Commitment Form, a document entitled "Joint Venture Eligibility Information Form," available at OEO, for the City's review and approval of the joint venture arrangement.

3. If Applicant does not fully meet each of the range(s) for participation established for this NOCO, applicant must demonstrate that it exercised Best and Good Faith Efforts to achieve the M/W/DSBE participation ranges along with a written request, on its letterhead, for the reduction of part or all of the M/W/DSBE participation ranges ("Request For Reduction/Waiver"). Applicant, through the submission of documentary evidence must show that applicant took all necessary steps and made reasonable efforts to achieve the M/W/DSBE participation ranges, even if these efforts were not fully successful. OEO will evaluate the scope, intensity and appropriateness of these efforts to ascertain whether they could reasonably be expected to achieve M/W/DSBE participation commensurate with the ranges. Failure to submit the documentary evidence will result in rejection of the proposal as nonresponsive; the City, at its sole discretion, may allow applicants to submit or amend their submission at any time prior to award which may result in revision to Applicant's participation commitments. The submission shall contain and discuss, at a minimum, the following:

•Reasons for not committing with any MBE/WBE/DSBEs that submitted a

quote/subproposal, regardless of whether the quote/subproposal was solicited by applicant.

Any additional evidence pertinent to applicant's conduct relating to this NOCO including sufficient evidence which demonstrates to the OEO that applicant has not engaged in discriminatory practices in the solicitation of and commitment with contract participants. In describing applicant's efforts to

achieve participation within the ranges, applicant may submit any corroborating documentation (e.g., copies of advertisements for participation).

The applicant's documentary evidence will be reviewed by the OEO to determine whether applicant exercised Best and Good Faith Efforts in response to the participation ranges. Applicant's expressed desire to self-perform services with its own employees will not excuse applicant from exercising Best and Good Faith Efforts to include M/W/DSBEs in its proposal and cannot be used as a basis for requesting a reduction or waiver of the participation ranges. OEO's review will include consideration of the following:

• Applicant's contracting activities and business practices on similar public and private sector contracts. For example, if applicant rejects any M/W/DSBE based on price, applicant must fully document its reasons for the rejection and also demonstrate that applicant subjects non-M/W/DSBEs to the same pricing standards. OEO will investigate whether there was any attempt at good faith negotiation of price.

 Whether M/W/DSBEs were treated as equally as other businesses in the solicitation and commitment process. For example, the OEO will investigate whether M/W/DSBEs are given the same information, access to the plans and requirements of the contract and given adequate amount of time to prepare a quote/subproposal as others who were solicited by applicant. The OEO will also investigate whether M/W/DSBEs were accorded the same level of outreach as non-M/W/DSBEs, for example whether applicant short listed M/W/DSBEs for participation or solicited M/W/DSBEs at any pre-proposal meetings. • Whether the applicant's contracting decisions were based upon policies which

disparately affect M/W/DSBEs. OEO will ascertain whether applicant selected portions of work or material needs consistent with the capacity of available M/W/DSBE subcontractors and suppliers. OEO will consider whether applicant employed policies which facilitate the participation of M/W/DSBEs on City contracts such as segmentation of the contract or prompt payment practices.

4. After review of the applicant's submission and other information the OEO deems relevant to its evaluation, the OEO will make a written determination that will be forwarded to the awarding City Department.

 If the proposal is determined nonresponsive by the OEO, the applicant will be notified and may file a written appeal with the Executive Director of OEO within forty-eight (48) hours of the date of notification; the decision of the Executive Director of OEO shall be final.

C. RESPONSIBILITY

1. Upon award, the completed Solicitation For Participation and Commitment Form and accompanying documents regarding solicitation and commitments with MBEs, WBEs and DSBEs become part of the contract and the successful applicant is required to enter into legally binding agreement(s) ("M/W/DSBE Subcontract(s)") with its M/W/DSBE participants for the services and in the dollar amount(s) and percentage(s) as so committed (the "Contract Commitment(s)"). M/W/DSBE percentage commitments are to be maintained throughout the term of the contract and shall apply to the total contract value (including amendments). Any change in commitment, including but not limited to, substitutions for the listed firm(s), changes or reductions in the work and/or listed dollar/percentage amounts, must be pre-approved in writing by the OEO.

2. Unless otherwise specified in the M/W/DSBE Subcontract, the successful applicant shall, within five (5) business days after receipt of a payment from the City for services performed under the contract, deliver to its M/W/DSBE participants, their proportionate share of such payment for services performed (including the supply of materials). In connection with the payment of its M/W/DSBE participants, the successful applicant agrees to fully comply with the City's payment reporting process which may include the use of electronic payment verification systems.

3. No privity of contract exists between the City and any M/W/DSBE participant identified in any contract resulting from this NOCO. The City does not intend to give or confer upon any such M/W/DSBE participant(s) any legal rights or remedies in connection with the subcontracted services pursuant to

Executive Order 03-12 or by reason of any contract resulting from the NOCO except such rights or remedies that the M/W/DSBE subcontractor may seek as a private cause of action under any legally binding contract to which it may be a party.

4. If the OEO determines that the applicant has discriminated against a M/W/DSBE at any time during the term of the contract, the OEO may recommend to the Director of Finance the imposition of sanctions on the applicant including debarment of the applicant from submitting and/or participating in future City contracts for a period of up to three (3) years.

D. ACCESS TO INFORMATION

1. The OEO shall have the right to make site visits to the applicant's place of business and/or job site and obtain documents and information from any applicant, subcontractor, supplier, manufacturer or contract participant that may be required in order to ascertain applicant's responsiveness and responsibility.

2. Failure to cooperate with the OEO in its review may result in a recommendation to terminate the contract.

E. RECORDS AND REPORTS

1. The successful applicant shall maintain all books and records relating to its M/W/DSBE commitments (e.g. copies of quotations, subcontracts, joint venture agreement, correspondence, cancelled checks, invoices, telephone logs) for a period of at least three (3) years following acceptance of final payment from the City. These records shall be made available for inspection by the OEO and/or other appropriate City officials. The successful applicant agrees to submit reports and other documentation to the OEO as deemed necessary by the OEO to ascertain the successful applicant's fulfillment of its M/W/DSBE commitments.

F. REMEDIES

OMB No.: **9000-0157** Expires: 11/30/2017

PAPERWORK REDUCTION ACT STATEMENT: Public reporting burden for this collection of information is estimated to average 29 hours (25 hours for part 1 and 4 hours for Part 2) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing this burden, to U.S. General Services Administration, Regulatory Secretariat (MVCB)/IC 9000-0157, Office of Governmentwide Acquisition Policy,1800 F Street, NW, Washington, DC 20405.

PURPOSE

Federal agencies use this form to obtain information from architect-engineer (A-E) firms about their professional qualifications. Federal agencies select firms for A-E contracts on the basis of professional qualifications as required by 40 U.S.C. chapter 11, Selection of Architects Engineers, and Part 36 of the Federal Acquisition Regulation (FAR).

The Selection of Architects and Engineers statute requires the public announcement of requirements for A-E services (with some exceptions provided by other statutes), and the selection of at least three of the most highly qualified firms based on demonstrated competence and professional qualifications according to specific criteria published in the announcement. The Act then requires the negotiation of a contract at a fair and reasonable price starting first with the most highly qualified firm.

The information used to evaluate firms is from this form and other sources, including performance evaluations, any additional data requested by the agency, and interviews with the most highly qualified firms and their references.

GENERAL INSTRUCTIONS

Part I presents the qualifications for a specific contract.

Part II presents the general qualifications of a firm or a specific branch office of a firm. Part II has two uses:

1. An A-E firm may submit Part II to the appropriate central, regional or local office of each Federal agency to be kept on file. A public announcement is not required for certain contracts, and agencies may use Part II as a basis for selecting at least three of the most highly qualified firms for discussions prior to requesting submission of Part I. Firms are encouraged to update Part II on file with agency offices, as appropriate, according to FAR Part 36. If a firm has branch offices, submit a separate Part II for each branch office seeking work.

2. Prepare a separate Part II for each firm that will be part of the team proposed for a specific contract and submitted with Part I. If a firm has branch offices, submit a separate Part II for each branch office that has a key role on the team.

INDIVIDUAL AGENCY INSTRUCTIONS

Individual agencies may supplement these instructions. For example, they may limit the number of projects or number of

pages submitted in Part I in response to a public announcement for a particular project. Carefully comply with any agency instructions when preparing and submitting this form. Be as concise as possible and provide only the information requested by the agency.
